

T180

T280

Efficient, Convenient and Comfortable.

Kenworth's new medium duty models have been optimized for even greater efficiency, convenience and control for a non-CDL truck. Enough room for a crew of three and all their gear – comfortably. Featuring the same premium ergonomic detail you'd find in the World's Best heavy-duty models.

PACCAR TX-8

PACCAR's TX-8 automatic 8-speed transmission, standard on T180 and T280, provides intuitive vehicle control and superior performance from drivers of all experience levels. With a best-in-class power-to-weight ratio, it also upshifts your payload and profit potential.

Standard Automatic Temperature Controls

Digital Display & SmartWheel

A new, class-leading 7-inch high-definition digital display employs cutting-edge technology to deliver critical operating information to the driver intuitively, efficiently, with minimum distraction. Spec the Kenworth SmartWheel® for finger-tip access to all your controls.
